## Bodyguards Blue Nitrile Powder Free Exam Gloves

Part # AP890

- 100 gloves per box.
- Offers extra protection against certain chemicals.
- Conform to AQL 1.5 CE Class 1 Medical grade standard and comply with BS EN 455.
- Soft glove with a flexible feel.
- Textured fingers for maximum grip.
- Contains no natural rubber latex.
- All gloves have colour co-ordinated boxes for easy size identification.

## Bodyguards Blue Nitrile Accelerator Free\* Powder Free Exam Gloves

Part # AP892

- 100 gloves per box.
- At last, a glove to offer relief from 'Type IV chemical accelerator allergies'.
- These gloves are 100% accelerator free.
- Ideal for Type IV chemical accelerator allergy sufferers.
- Soft, flexible and easy to don; with a fingertip texture.
- Conforms to AQL 1.5 CE Class 1 Medical grade standard and comply with BS EN 455.
- Accelerator Free\*.
- Latex Free & Powder Free.
- Easy to don.
- All gloves have colour co-ordinated boxes for easy size identification.

*\*This glove has been manufactured without the use of accelerators. Physical and Chemical Properties: Nitrile Latex (NBR), Potassium Hydroxide, Zinc Oxide, Titanium Dioxide, Cross-Linker CX-100, BLUE-BS (Colour Pigment).*

## Bodyguards Sensitive Nitrile Powder Free Exam Gloves

Part # AP898

Bodyguards Sensitive Nitrile Gloves have been specifically designed to provide a supple thin film barrier that enhances dexterity and sensitivity. This new sensitive nitrile version combines latex-like feel with the benefits of nitrile.

- Conforms to AQL 1.5 CE Class 1 Medical grade standard and complies with BS EN 455.
- Flexible and softer texture
- Latex free and powder free.
- Cost effective.
- 150 gloves per box

## Bodyguards Sterile Blue Nitrile Accelerator Free Exam Gloves

Part # AP692

- Contains no natural rubber latex - 100% latex free.
- Offer relief from potential 'Type IV chemical accelerator allergies'. These gloves are completely accelerator free and ideal for Type IV chemical accelerator allergy sufferers.
- Conform to AQL 1.5 CE Class 1 Sterile Medical grade standard and comply with BS EN 455.
- Suitable for minor sterile procedures.
- Textured fingers for maximum grip.
- 50 pairs per box.

## Bodyguards Blue Longer Cuff Nitrile Powder Free Exam Gloves

Part # AP891

- Longer Cuff for extra protection against certain chemicals.
- Available in sizes S-XL.
- 100 gloves per box.

## Bodyguards Triple Glove Box Dispenser

Part # AP9565

Universal plastic coated glove box holders/dispensers for most glove boxes (excluding sterile and surgical glove boxes)

- Easy to wipe clean.
- Wall mounted.

### Bodyguards SafeDon Blue Nitrile Powder Free Exam Gloves

Part # AP893

- Offers extra protection against certain chemicals.
- Conform to AQL 1.5 CE Class 1 Medical grade standard and comply with BS EN 455.
- Soft glove with a flexible feel.
- Textured fingers for maximum grip.
- Contains no natural rubber latex.
- 100 gloves per box (90 gloves in an XL box).

Please note these boxes must be used in conjunction with a Bodyguards SafeDon Wall Dispensers

### Bodyguards 4 SafeDon Blue Nitrile Powder Free Disposable Gloves

Part # AP896

Offers the user excellent protection for light general use, protects hands against contamination, dirt and potential irritants in low risk situations.

Conform to AQL 4.0, CE marked for Minimal Risk, in compliance with BS EN 420.

Please note these boxes must be used in conjunction with a Bodyguards SafeDon Wall Dispensers

### Bodyguards SafeDon Single Glove Box Dispenser

Part # AP9665

The Bodyguards SafeDon glove box is securely contained within a dispensing unit that has been manufactured to include an anti-microbial protective additive which helps to prevent the build-up and growth of organisms on the glove dispenser.

The dispensers are made from ABS and come complete with wall fixings (screw and plugs plus the option of removable adhesive strips).

Dimensions: 93mm (h) x 127mm (w) x 140mm (d).

Colours available: White, Black, Yellow, Blue, Green, Red

### Bodyguards SafeDon Triple Glove Box Dispenser

Part # AP9666

The Bodyguards SafeDon glove box is securely contained within a dispensing unit that has been manufactured to include an anti-microbial protective additive which helps to prevent the build-up and growth of organisms on the glove dispenser.

The dispensers are made from ABS and come complete with wall fixings (screw and plugs plus the option of removable adhesive strips).

Dimensions: 93mm (h) x 374mm (w) x 140mm (d).

Colours available: White, Black, Yellow, Blue, Green, Red

## Alkapharm Klin-Up Hand Disinfection Gel

Part # AP0008B

Instant hand disinfectant and moisturiser with approximately 200 applications.

- No water or drying required.
- Preserves the epidermis of the skin.
- 250ml dispenser bottle.

## Bodyguards Cleanser Alcohol Hand Rub - 500ml

Part # AP0901B

With Aloe Vera, Skin Conditioners and Moisturisers

### Safe & User Friendly

Product contains aloe vera, skin conditioners and moisturisers to provide enhanced skin moisturising and conditioning. This assists in reducing skin sensitisation and irritation in environments where continual hand washing is required.

### Superior Cleaning & Hygiene

Product contains boosted alcohol levels, giving superior hygiene control and more efficient cleaning action.

- 500ml Bottle Hand Pump.

## Deb Cutan Foam Hand Sanitiser (400ml Pump Bottle)

Part # AP0400B

Delivers liquid alcohol as foam. Cutan Foam Hand Sanitiser is a unique, worldwide patented\*, high efficiency foaming alcohol skin sanitiser that works instantly to kill micro-organisms present on the skin. Use only where hands are physically clean.

Normal washing with soap and water must be performed in the event that hands become visibly soiled.

- UK & European Patent No. 0703831. Worldwide Patent Pending.

# SURFACE CLEANER

## Eradic8 A2Z - High Level Disinfectant Surface Cleaner

Part # Based on product option

Unique "ONE-SHOT" system consisting of a 60ml concentrate bottle, a bottle piercer and a trigger spray bottle.

- Space saving compared to ready filled trigger sprays.
- 'Green' credentials less than 80% transport cost and less storage space.
- Simple and safe to use.
- Tests prove that Eradic8 is one of the best performing disinfectants available on the market today.
- Typical applications - Dentists and Doctors surgeries and waiting rooms, hotels and restaurants, veterinary practices, nursing homes etc.

Available as a starter pack:

AP0550B

1 trigger bottle and 12 x 60ml refills = 12 litres of product

Refill pack also available:

AP0555B

12 x 60ml refills = 12 litres of product

## Bodyguards Double Stitch Mob Caps

Part # Based on product option

- One size fits all.
- Spun polypropylene.
- Elasticated Headband.
- 52cm diameter.
- Box of 100.

AP2200W - White  
AP2200B - Blue  
AP2200R - Red

## Bodyguards Polythene Aprons

### Dispenser Pack

Part # AP290

- Easily dispensed from pack.
- 80 gauge polythene.
- 27" x 46".
- 100 Aprons per pack.

### On a Roll

Part # AP291

- Perforated on a roll for ease.
- 80 gauge polythene.
- 27" x 46".
- 200 Aprons per roll.

### Apron Roll Dispenser

Part # AP9291B

A durable white metal dispenser for use with aprons on a roll.

## Bodyguards PE Oversleeves

Part # Based on product option

- One size fits all.
- Elasticated wrist and elbow.
- Length 50cm x Width 19.5cm.
- Box of 100.

AP3100W - White  
AP3100B - Blue  
AP3100R - Red

## Bodyguards CPE Shoecover

Part # Based on product option

Deeply embossed overshoes with elasticated edges

- One size fits all.
- Box of 100.

AP2700W - White  
AP2700B - Blue  
AP2700R - Red

## Disposable PVC Overshoes Heavy Duty

Part # APOSHD1

For areas where the blue CPE overshoes are not suitable the enhanced durability of the heavy duty PVC should meet the requirement due to the optimised strength to minimise the risk of tears or where re use may be desirable.

- One size fits all.
- White.
- Box of 500.

## Bodyguards Non Woven Visitors Coat

Part # Based on product option

- White.
- Pack of 25.

Available in three sizes:

AP2021B - Medium

AP2022B - Large

AP2023B - X/Large

## Disposable Coverall - Microfilm

Part # Based on product option

White non-woven coverall made of soft double layer spunbonded polypropylene fabric including Microporous Film Laminate layers for ultimate strength and protection.

- High quality garment with fully elasticated hood, ankles and wrists.
- Featuring batwing sleeves and diamond crotch construction.
- Conforms to EN340 offering higher protection against hazardous dry particles (Type 5) and hazardous liquid spray chemicals (Type 6).
- CE Cat III EN 1149-1 Anti-static.
- EN 1073-2 Radioactive Particulate.
- EN 14126 Resistance to Infective Agents and Blood Born Pathogens.
- White.

Different sizes available:

AP1021W - Small, White

AP1022W - Medium, White

AP1023W - Large, White

AP1025W - X/Large, White

AP1026W - XX/Large, White

AP1026W - XXX/Large, White

## Bodyguards Wraparound Safety Eyewear

Part # AP1103B

- Anti fog.
- Anti-scratch surface.
- Approved to EN166 CE.

## Bodyguards Curved Safety Eyewear

Part # AP1104B

- Black temple and arms.
- Anti fog.
- Anti-scratch surface.
- Approved to EN166 CE.

## Spireor Face Mask

Part # APVSP252TF-03C

- 100% breathing surface allows better breathing resistance than most of our major competitors
- Reduction in leakage (How do you tell when you have a faulty valve before it is too late?)
- No valve allows a reduction in mask weight - the masks weigh 6g (Most P3 masks weigh between 10g and 15g) so you don't feel our mask on your face.
- Eliminates fogging of spectacles
- Breathable mask - very little heat build up in the mask during extreme working conditions.
- All masks are individually packed to prevent cross contamination.

## 3M 9320 Disposable Face Mask - FFP2

Part # AP9320

3M high-performance filter material combines effective filtration with low breathing resistance, offering protection against fine dusts and oil/water based mists.

- Unique 3 panel design fits a wide range of face shapes and sizes.
- Soft, sweat absorbing nose foam.
- Easy to achieve compatible fit with eyewear to reduce the risk of misting.
- Blue straps denote 3M FFP2.
- Dolomite test "D" resists clogging for longer.

## 3M 9332 Disposable Face Mask - FFP3

Part # AP9332

3M high-performance filter material combines effective filtration with low breathing resistance, offering protection against fine dusts and oil/water based mists.

- Unique 3 panel design fits a wide range of face shapes and sizes.
- 3M Cool Flow valve removes heat, exhaled air and moisture which reduces the risk of misting eyewear.
- Red straps denote 3M FFP3.
- Dolomite test "D" resists clogging for longer.

# CLINICAL WASTE DISPOSAL

## Bodyguards Sharps Bins - Orange Lid

Part # Based on product option

For the safe collection of contaminated sharps and hazardous waste.

- Carries the British standard kitemark BS 7320:1990.
- Tough thick polypropylene construction provides outstanding protection against sharps and leaking fluids.

Range of containers for the disposal of sharps excluding those that have been contaminated with medicinal products and their residues.

### Orange Lid

AP9306O - 0.6 Litre  
 AP9315O - 1.5 Litre  
 AP9320O - 2 Litre

### Hard

AP0194BB - BLUE  
AP0194GB - GREEN  
AP0194RB - RED  
AP0194YB - YELLOW

## Interchangeable Deck Brushes

Part # Based on product option

Colour coded deck brushes ideal for cleaning applications, even stripping polish. The tough long life nylon bristles dislodge ingrained dirt, grease & grime. For use with interchangeable handles.

- 235mm brush.
- Machine/Hand washable.

AP0131BB - BLUE   AP0131GB - GREEN   AP0131RB - RED   AP0131YB - YELLOW

## Interchangeable Grout Brushes

Part # Based on product option

Colour coded unique profile tufbrush for cleaning floor & wall grout lines, for use with the interchangeable handles.

- 228mm brush.
- Ideal for getting confined areas clean.
- Machine/Hand washable.

AP0126BB - BLUE  
AP0126GB - GREEN  
AP0126RB - RED  
AP0126YB - YELLOW

## Plastic Dustpan & Brush Set

Part # Based on product option

Colour coded tough polypropylene sets with long life flexi-bristles.

- Size: 30 x 20 x 12cm.

AP0017BB - BLUE  
AP0017GB - GREEN  
AP0017RB - RED  
AP0017YB - YELLOW

## Interchangeable Squeegee Heads

Part # Based on product option

Colour coded squeegee Heads, ideal for confinement of spillages and removal of surface water. For use with our range of Interchangeable Handles

### 17.5in

- 17.5" / 450mm Head

AP1095YB - Yellow  
 AP1095BB - Blue  
 AP1095GB - Green  
 AP1095RB - Red

### 23.6in

- 23.6" / 600mm Head

AP1091YB - Yellow  
 AP1091BB - Blue  
 AP1091GB - Green  
 AP1091RB - Red

## Interchangeable Broom Handle

Part # Based on product option

Anodised silver handles with colour coded ends and grips. These handles fit all interchangeable heads.

AP0125BB - BLUE    AP0125GB - GREEN    AP0125RB - RED    AP0125YB - YELLOW

## Metal Broom Handle

Part # AP0132B

Lightweight economy metal handle to fit all interchangeable heads.

## Anti-Microbial Cleaning Equipment

Please contact us or visit our website for the full range

An anti-microbial is a substance that kills or inhibits the growth of microorganisms such as bacteria, fungi, or protozoans.

## Coloured Refuse Sacks

Part # Based on product option

- Strong heavy duty 160 gauge refuse sacks.
- Size: 18" x 29" x 39".
- 200 sacks per pack.

AP5000B - Blue  
 AP5006B - Red  
 AP5007B - Yellow  
 AP5008B - Green  
 AP5009B - White

## Black Refuse Sacks

Part # AP5002B

Unbelievably strong yet lightweight - at 250 gauge these sacks will stand up to any test.

- Size: 33" x 47".
- 100 sacks per pack.

## Envirotex Recycled 1 ply C Fold Hand Towels

Part # APPP2764B

Interleaved hand towels for use where economy is of importance in high usage locations.

- Automatically dispensing the next towel when one is withdrawn.
- Unfolded size 242mm x 222mm.
- 20 sleeves of 250 towels per case (5000 Towels).

## Envirotex Recycled 3 ply Standard Centre Pull Rolls

Part # APPP2478M

Soft, thick blue tissue where extra absorbency is needed.

- Roll size: 197mm x 150 metres.
- 6 Rolls per case.

## Standard Size Hand Towel Dispenser

Part # APPP9173B

- White, impact resistant ABS plastic.
- Lockable to reduce pilferage.
- Giving a compact and attractive appearance in any washroom.
- Full size dispenser.

## Standard Plastic Centre Pull Roll Dispenser

Part # APPP9231B

- White impact resistant ABS plastic dispenser to hold Hospitex or Envirotex centre pull rolls.

# ANIMAL HUSBANDRY EQUIPMENT

## Small Animal Weigher

Part # AP8000B

Weigher with Plastic Tray

- Inexpensive veterinary scale with good accuracy for weighing small animals
- 2000 divisions
- Large LCD 1"
- 650 x 300mm platter
- AC adaptor and battery power.
- Auto power down to save battery.
- Switchable units
- Hold of weight feature.
- Bowl is replaceable and can be removed for cleaning.
- The indicator either clips on the front of the scale to make a one piece unit or can be placed on a wall or work surface nearby.
- A coiled load cell cable connects the base to the indicator.
- 100% tare range to allow liners to be used in tray.
- 20Kg x 10g/44lb (lbs/kilos switchable)

## Small Animal Weigher

Part # AP8001B

Weigher with Stainless Steel Tray

As above specifications but with a stainless steel tray.

***N.B. All weighers and scales are sent directly from the manufacturer therefore delivery lead times may vary. Additional carriage costs may apply to this product, please contact us for further details.***

## Small Animal Scale

Part # AP8002B

- Very accurate and highly portable.
- 20kg x 10g with lbs conversion
- Ultra slim profile
- Light and portable
- Easy to clean platform
- Large easy to read LCD display
- Hold of weight feature with animal weight programme.
- Simple battery operation with AC Jack
- Optional carrying bag available - call for details

Dimensions: • Scale: 620 x 350 x 50mm with handle • Platform: 500 x 350mm without handle  
 • Net weight: 3.5kg • Function keys "ON/ZERO/OFF" - "UNIT" - "HOLD"  
 Capacity: • 20kg x 0.01kg • 44lb x 0.02lb

## Large Animal Scale

Part # AP8003B

Very accurate and highly portable.

Ideal veterinary scale for the larger animal.

This unit has in built weighing software that provides a quick stable weight display for live animals.

- Capacity: 250kg and 550lbs (lbs/kilos switchable)
- Increment: 100g and 0.2lb
- Platform Size: 1050 x 505 x 50mm
- Material: Stainless steel
- Load Cells: 4 x half bridge cells
- AC adapter and dry cell battery (adapter included)
- Wall or desk mountable with bracket included
- 100% tare range to allow liners to be used in tray.

Optional Rubber Mat available: This detachable mat is tactile and sits securely on the platform surface, providing a slip resistant surface for animals.

## Portable Large Animal Scale

Part # AP8004B

A robust solid scale with rigid stainless steel platform and removable rubber mat.

These scales have a handle and two wheels are fitted to aid movement. The remote indicator has a dual purpose wall or desk mounting bracket.

Power is from an on board rechargeable battery pack, but you can run it direct from the mains with the dual purpose charger/mains power supply unit supplied with the scale.

- Capacity 150kg x 50g , with lbs as well. • 300kg x 100g also available.

Features include:

- Auto hold of correct weight.
- Non tip platform.
- Rechargeable power with AC adaptor/charger supplied as standard.
- Top quality stainless steel plate with detachable rubber mat for easy cleaning.
- Large platform 900mm x 550mm.

***N.B. All weighers and scales are sent directly from the manufacturer therefore delivery lead times may vary. Additional carriage costs may apply to this product, please contact us for further details.***
