

EasySat™ Bucketless Floor Mop

Eliminate buckets and wringers

Contec's EasySat bucketless floor mop is an effective and quick solution to your cleaning challenges. Designed for the cleanroom, this innovative mop is easy to use — the built-in 52 ounce solution tank completely eliminates the need for a bucket and wringer! Disposable mop heads are made from our ultra clean polyester/ester foam VertiKlean material.

Features

- Utilizes laser cut sealed-edge VertiKlean® mop head polyester/clean ester foam material (*patent-pending*)
- Designed specifically for cleanroom use
- Fully autoclavable, 121° C for 30 minutes
- Simple to use — no complex moving parts
- Solution tank holds up to 52 ounces (1.5L)
- One full tank cleans up to 5,000 square feet (465m²)
- Closed solution tank minimizes exposure to chemicals
- Large opening makes tank easy to fill
- Lightweight— mop weighs 7 lbs. (3.2 kg) with full tank
- Translucent tanks keeps solution level visible
- Trigger mechanism flow control releases cleaning solution on demand or continuously
- Available with your choice of two mop heads:
 - Textured surface for more abrasive action
 - Flat surface for standard floor cleaning
- Mop head is available Validated Sterile per AAMI/ISO 11137:2006 Guidelines. Gamma irradiated to 10⁻⁶ Sterility Assurance Level, one of the strictest guidelines established by AAMI/ISO.
- Angled disposable mop head cleans hard-to-reach areas and can be attached and removed within seconds
- 16 jets ensure that cleaning solution is evenly dispensed across the entire mop head

The EasySat™ Bucketless Mop completely eliminates the need for a bucket and wringer! The EasySat features a mop head constructed from the same material as VertiKlean® Mops.

EasySat™ Bucketless Floor Mop

The EasySat™ mop head features durable polyester fabric laminated to clean ester foam which provides excellent abrasion resistance. The disposable mop head attaches to hardware in seconds using traditional hook and loop fasteners.

Available in two different styles— Textured surface for more abrasive action; or smooth, flat surface for standard floor cleaning.

Sixteen jets ensure even distribution of cleaning solution.

Textured EasySat™ mop head

A large opening make the EasySat™ solution tank easy to fill, while the snug-fitting lid minimizes exposure to chemicals. Translucent tank keeps solution level visible. Tank holds up to 52 ounces (1.5L) of cleaning solution.

Innovative trigger mechanism reduces fatigue and allows for continuous or on demand dispersion of liquid.

Note: Autoclave and store with trigger lock [red knob] engaged.
